

Digital Leaders Meeting – 7/11/17

Present – Ethan M, Abdul, James, Max, Rosie, Ethan H, Lucy and Riley

Roles and responsibilities of Digital Leaders and feedback from children regarding online safety

Our second meeting focussed on sharing with the school how to be safe and stay safe.

How to get help

We were very pleased that all within the group knew to tell an adult to get help and knew how to report a problem either via the game / program itself or via the REPORT ABUSE button on our Pupil Zone webpage

Leaders to click on above to show children what to do / how to get help in a class circletime session. How to do this was shared in our meeting. We also shared some current problems that we had had online recently. One was on Roblox where one of our leaders shared how sensible she was when asked for personal information from a stranger who said they were the same age and gave a school name that she (supposedly) went to. Our leaders were impressively sensible and all knew what to do. They all knew to tell an adult and NOT give out their personal information! Well done leaders!

Class assemblies – presentation

We shared our assembly and points to raise with our class. Some classes still need to share this presentation – leaders have been tasked to do this on a Tuesday. Minutes of meetings are on our public drive in the Digital Leader file and also on our school website in the Digital Leader section
