Little Red Riding Hood Alternative Ending Story Plan

Can you plan an alternative version of the Little Red Riding Hood story?

Once upon a time, there was a girl called Little Red Riding Hood. She lived with her mother in a village near a forest.

One day, Little Red Riding Hood was walking through the woods and met a wolf.

"Where are you going?" asked the wolf.

What does she find when she gets there?

What happens at the end of the story?

Jack's mother was very angry and threw the beans into the garden. Overnight, the magic beans grew into a beanstalk and Jack climbed up it.

Where does the beanstalk take Jack and who does he meet?

What does Jack take back to his mother?
