

Friday 8<sup>th</sup> January 2021

Dear Parents, Carers,

It was lovely to see so many of the children on the zoom meeting this week and we really cannot stress enough how very proud we are of them all and the work they have completed this week. We also wanted to share our thanks with you for all your support and encouragement. We know just how hard it can be to run remote learning. Hopefully as the weeks continue, the technical glitches will get less and less and the work will run more smoothly.

We mentioned that we would be restarting Bug Club for the children as this allows us to set the children books to access that are appropriate to their reading and provides them with a range of books to access. The log-in details are shown below. Books are in the process of being set so if your child does not have any yet, please keep checking back.

Our literacy work will continue to be based around the text we have started reading. I will continue reading chapters and putting them on Google Classroom, but you may also want to consider purchasing a copy so your child can refer to it at home whilst doing their work. The book is A Boy and A Bear in a Boat by Dave Shelton. There is obviously no obligation to purchase a copy.

Our DT work is linked with making sandwiches and we would like to continue this through remote learning as best as possible. This will however involve some ingredients where possible. I thought it might be useful to have an outline of the work we will be doing each week so you can possibly get some things when shopping to help support this.

W/C 11 <sup>th</sup> Jan	W/C 18 <sup>th</sup> Jan	W/C 25 <sup>th</sup> Jan	W/C 1 <sup>st</sup> Feb	W/C 8 <sup>th</sup> Feb
Tasting at least one type of bread	Tasting a prepared sandwich filling	Filling preparation skills (learning to chop, grate and spread)	Designing a sandwich with at least 2 fillings and a spread	Making and evaluating the sandwich

Finally, we will move to having daily meet ups in the afternoon on zoom. We consider google meet, but zoom offers us more security. The link will be shared on the stream for the classes. This will be an opportunity to get together if needed to share ideas or discuss problems or just to say hi.

Thank you once more for all your help and support in these difficult times.

Mrs Webber and the Year 3 Team.
