### **Meeting:**

The school council voted for the theme for the non-uniform in May. It was decided we will have a mixed theme of dress as an animal/sports outfits/dress as you like! A voluntary donation would be very much appreciated and proceeds will be split 50/50 between school funds and Slideaway, a local charity who help support young children who have a relative who has passed away.

Golden box – a suggestion was made to use solar panels for electricity in school. However there would be a large cost involved and the flat roof the school has would not be strong enough to hold them.

We discussed using the meeting room in future but will have to wait until term 6 as Yr6 are currently using it for SATs work.

### **Next Meeting:**

3/5/19 – We will be having a look at some questions the inspector may ask us when he visits the school on Wednesday 8/5/19, 2pm.
