Size	Colour	Qualities	Moods
enormous huge tiny minute short slight	golden green purple crimson lemon turquoise	ugly shy kind bad-tempered beautiful friendly	angry happy sad miserable scared cheerful

4. *This is just an example of adjectives that you might have used.*  
The sky was heavy and grey. It was cold and a few feathery flakes of snow were beginning to fall. Suddenly out of the gloom a hunched figure appeared hurrying down the road. The figure was bent and sinister-looking. It was wearing a dark flowing cloak.

5. *These are just examples of adjectives that you might have used.*

- ivy-covered walls
- barred windows
- heavy oak door
- towering turrets
- swirling flags
