As your child's time in primary school draws to a close, we would like to offer Year 6 children the chance to purchase a yearbook to mark the end of their time at Coxheath Primary School, which they will receive at the leavers' assembly.

Permission dependent, every student in the class will have a picture in the yearbook, along with a few words about themselves, and pages with photos of their time at Coxheath. To ensure that each child is remembered, we would include the pupils' photograph alongside their name. In order to fully comply with the Data Protection regulations, we would need permission from you to do this. This data will be shared with the book publishers, the staff who create the books and the pupils and families who receive their yearbooks.

Please note that if you do not give permission for your child's data to be shared, then they will not feature in the yearbook.

Please email the School Office separately only if you do not wish your child's photo to be used in the book.

The yearbook costs £10.00. If you would like to purchase a yearbook for your child, then payment can be made via School Money. Please can we ask that all orders are made by 26th May 2023. Any queries including if you need to discuss any financial concerns, please contact your child's teacher via the School Office using office@coxheath.kent.sch.uk

Kind regards
