Dear Parents and Carers

Re: Wraparound Care Prices

We are very fortunate to have excellent wraparound care in all three of our schools. The breakfast and after school clubs provide support, food and activities from 7:30am until 6:00pm.

Although numbers attending the clubs understandably dropped during the pandemic, they have now returned and even surpassed pre-pandemic levels. Throughout this time, we have kept our prices the same – in fact, the prices for breakfast and after school club have remained the same for the past three years.

Over the past year especially, the increased costs have forced us to review our pricing structure for breakfast and after school club. This has not been an easy decision, but after researching similar services in the local area and comparing the offer we provide, we feel that this is a fair and representative price.

From September 2023, the prices will be as follows:

- Breakfast Club - £4.50 (7:30-8:45 including breakfast)
- After School Club £12.50 (3:15-6:00 including snack)

All three schools in the trust have worked hard to find the right balance between keeping the prices competitive and affordable. We will continue to keep the prices under review, but do not foresee the need to increase prices again in the near future. If you regularly use the wraparound services and feel this may cause any financial difficulties, please speak to your school's Headteacher who will discuss things with you confidentially and sensitively.

Yours sincerely,

Mark Chatley – Trust Leader

Trevor North – HT at Loose

Giacomo Mazza – HT at Coxheath

Ray Lang – Incoming HT at St Katherine's
