

YEAR 5 NEWSLETTER

This Term's Learning

MATHEMATICS

We will explore angles, shapes, position and direction including translation and reflection.

We will also learn about volume and measure the amount of space an object occupies.

We will continue to focus on rapid recall of times tables – vital for understanding this term!

ENGLISH

Our Year 5 children will be crafting their own exciting rags to riches tales, loosely inspired by Cinderella. They will use parenthesis, relative clauses, modal verbs, and speech to bring their stories to life!

SCIENCE

We will explore how humans change through their lifecycle. Building on previous knowledge and enhancing our scientific skills through enquiries.

GEOGRAPHY

We will learn about energy and sustainability and how countries all over the world are becoming greener through technological advances.

PSHE

We will explore jobs and careers. We will consider skills and attitudes required for various career pathways.

KEY DATES & REMINDERS

SPORTS DAY

Friday 10th July

- Children should come to school wearing their sports kit.
- Events will begin at 9:15am.
- We kindly ask parents and carers to say goodbye and leave by 11:30am.
- Children will enjoy a whole-school picnic lunch from 12:15pm.

We look forward to a fun and active day for everyone!

CANTERBURY CLASS LIBRARY VISITS

Canterbury Class will be visiting Coxheath Library on:

- Friday 12th June
- Friday 3rd July

Please remember that children will need a library card if they wish to borrow books. Library membership is free, so please arrange this before the visit if your child is not already registered.

MATHS AT HOME

Please continue to support your child with learning and revising their times tables. A secure knowledge of multiplication facts is essential and supports many areas of the mathematics curriculum.

All children have access to IXL, our online maths learning platform. This is a fantastic resource for practising and consolidating skills taught in class.

READING AT HOME

Reading regularly at home continues to be one of the most valuable ways to support your child's learning.

- Listen to your child read every day.
- Discuss what they have read and ask questions about the text.
- Read to your child whenever possible, as this also helps to develop vocabulary, comprehension and imagination.

ROCHESTER CLASS LIBRARY VISITS

Rochester Class will be visiting the library on:

- Friday 12th June – 2:00–2:30
- Friday 3rd July – 2:30–3:00
- Friday 17th July – 2:30–3:00

Please remember that children will need a library card if they wish to borrow books. Library membership is free, so please arrange this before the visit if your child is not already registered.
