Message from the Headteacher

Welcome back to a new school year!

I hope everyone had the opportunity to find some time to relax, recharge and make the most of the sunshine over the summer. We have an exciting year ahead of us, and it has been wonderful to welcome the children back this week.

The children have returned with great focus and enthusiasm. Despite a few understandable first-day nerves, they have had a fantastic first week back, and it has been lovely to see them settling back into their routines so quickly.

Our new Reception children have also settled remarkably well into their new environment. They have taken everything in their stride and, most importantly, have been leaving school each day with big smiles on their faces. It has been wonderful to see!

As well as welcoming several new children to our school community, we are delighted to welcome Mr Hitch and Mrs Blunt, who have joined us as new teachers in Year 5. They have already commented on the positive attitudes of the children and what a warm and welcoming community we have here at school. We are very pleased to have them as part of our team.

Of course, now that we are back at school, we can be fairly certain that the rain will kindly make an appearance at school drop-off and pick-up!

I have already received an email from a local resident explaining that, during morning drop-off, a vehicle had blocked their driveway, meaning they were unable to leave their home. We completely understand that the roads around school become much busier at these times, and our local residents appreciate that school drop-off and pick-up can be challenging.

However, I am sure we can also understand the frustration of a resident who is unable to leave their own property because a vehicle has been parked inconsiderately across their driveway. In many cases, parking a little further away and walking for an additional five minutes can make a significant difference.

I am therefore asking all parents and carers who drive to and from school to please be considerate of our neighbours and the wider community. Please avoid blocking driveways, entrances or access to properties, and take a little extra care when parking.

I am sure we can all work together to make drop-off and pick-up as safe, respectful and stress-free as possible for our children, families and local residents.

I am sure many of you are aware of Benedict Blythe from the news reports, who tragically died from anaphylaxis at his school in 2021 following accidental exposure to cow's milk. Following this and other tragic incidents, new statutory guidance has been introduced for schools, and it is important that we all play our part in ensuring that children are kept as safe as possible.

We have several children in school who have nut allergies, including some who have an airborne sensitivity. For this reason, we are a nut-free school.

This means that nuts and products containing nuts must not be brought into school. This includes products that may not immediately be considered as nuts, such as chocolate and hazelnut spreads, including Nutella. I know that some children enjoy having these spreads in their sandwiches, but unfortunately they cannot be brought into school due to the potential risk they pose to other children. Please do not send your child into school with a Nutella or other nut-containing sandwich.

We appreciate your support and understanding in helping us maintain a safe environment for all our children. By working together and following our school's allergy guidance, we can help reduce the risks faced by children with severe allergies.

Thank you, as always, for your support and cooperation. We are looking forward to a fantastic year ahead!

Giacomo Mazza

PTFA Event Friday 11th September

Maidstone's Monster Mash

Maidstone is excited to bring Maidstone's Monster Mash to the Town Centre this Halloween and October half term! The Maidstone Monster Mash is an event organised by One Maidstone and supported by Maidstone Borough Council. This event includes various large inflatable monsters, spread around the town Centre for the October half term. These inflatables will be placed on top of buildings for one week, where the town Centre will be visited by these friendly large builds for everyone to enjoy.

Please see letter below with more information.

Maidstone's Monster Mash

October 2026

Dear Teachers and Parents/Guardians,

One Maidstone is excited to bring Maidstone's Monster Mash to the Town centre this Halloween and October half term!

About the Event

The Maidstone Monster Mash is an event organised by One Maidstone and supported by Maidstone Borough Council. This event includes various large inflatable monsters, spread around the town centre for the October half term.

These inflatables will be placed on top of buildings for one week, where the town centre will be visited by these friendly large builds for everyone to enjoy.

Competition

To accompany this exciting event, we are delighted to announce that we are seeking a **Maidstone Monster Mascot**! Once designed, this monster will be used in this years and future events campaign's, social media promotions and branding and we would like to invite young people to creatively design this for us!

Therefore, we are opening a competition to the public, in which they may design their own Maidstone Monster to represent this event.

The winning design will be reviewed and chosen by the One Maidstone team.

The prize for winning this spooky competition will be:

- An A4 sized Print Out of you animated design
- An Age Appropriate, Monster Mash Mystery Pack
- The winner's monster will be **displayed** around town and celebrated in the community as Maidstone's **new** Monster Mascot!

Submissions

We are sending this letter to all local schools, so that we may kindly ask you to share the forms included in this letter, with the children and their parents/guardians before the summer break.

Pupils can then complete their designs over the summer holidays and **submit them online to info@onemaidstone.com**.

Alternatively, there is also the option for the children to download and print the form via a link on our socials and website. Where they choose to do this, the form will then need to be handed into the following location:

Creative Maidstone

Gabriel's Hill,

Maidstone,

ME15 6JR

You may also collect a blank copy of the monster design form at the Creative Maidstone Hub.

The deadline for submissions is **5pm on Friday 28th August 2026**.

Please see the terms and conditions written at the bottom of this letter.

Creative Maidstone – Monster Workshop

Creative Maidstone, located on Gabriel's Hill, will also be hosting a Maidstone Workshop on Wednesday the 22nd July, between 10:30-12:30pm.

Bring your kids to get messy in this 1.5-hour Monster Making Workshop, led by ceramicist Laura Hollis. Using excellent quality air dry clay, young artists will learn professional hand-building techniques to build their very own quirky monster, scaly skin and lots of googly eyes, let their imaginations go wild, with time to paint lots of funky monster colours.

Please see the link below for further information:

<https://www.visitmaidstone.com/whats-on/monster-making-workshop-creative-maidstone-p320481>

Thank you for your support and we look forward to seeing the children's spooky designs!

Kind regards,

Michelle

Michelle Woodland

CEO and Director

One Maidstone

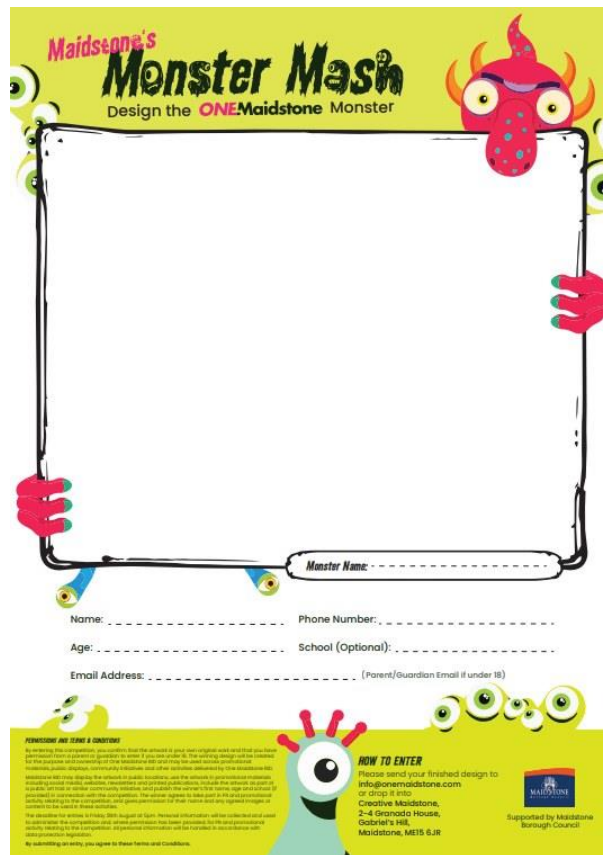

Permissions, Terms and Conditions

By entering this competition, you confirm that the artwork is your own original work and that you have permission from a parent or guardian to enter if you are under 18. The winning design will be created for the purpose and ownership of One Maidstone BID and may be used across promotional materials, public displays, community initiatives and other activities delivered by One Maidstone BID.

Maidstone BID may display the artwork in public locations, use the artwork in promotional materials including social media, websites, newsletters and printed publications, include the artwork as part of a public art trail or similar community initiative, and publish the winner's first name, age and school (if provided) in connection with the competition. The winner agrees to take part in PR and promotional activity relating to the competition and gives permission for their name and any agreed images or content to be used in these activities.

The deadline for entries is Friday 28th August at 5pm. Personal information will be collected and used to administer the competition and, where permission has been provided, for PR

and promotional activity relating to the competition. All personal information will be handled in accordance with data protection legislation.
By submitting an entry, you agree to these Terms and Conditions.

Kent Test - Information for Year 5

Kent Test

For children starting secondary school in September 2027

If your child is currently in Year 5, and you intend to apply to a Kent Grammar school, register online at kent.gov.uk/kenttest

Registration opens on 1 June 2026 and closes at midnight on 1 July 2026

Who is the Kent Test for?

The Kent Test is for children who wish to apply for a Kent Grammar school place for September 2027 and are either resident in the UK or are the children of UK Service Personnel / other Crown Servants returning to the UK. A list of Kent Grammar schools can be found [here](#). Schools in Medway, Bexley and Bromley are outside the Kent Local Authority area. If you live outside Kent, please consider carefully before registering whether your child can attend the testing session in Kent, and how they would travel to school if they were offered a school place in Kent.

How do I register for the Kent Test?

Go to kent.gov.uk/kenttest and create an online account for yourself as parent/guardian. Add your child's details to your account to start the registration process. When you have completed and submitted your registration you should get a confirmation email. If you do not, the registration may not have been completed correctly. (Tip: Please check your junk/spam folder for the email before contacting us)

What if my child has access requirements?

If your child has a disability or SEN which will affect their access to testing, you should discuss this with their primary school before registering them, as the school will need to apply for any necessary access arrangements. Requests will not be accepted after 1 July 2026.

What happens after I register?

If your child attends a school outside Kent, we will email you details of their test centre by the end of August. Let us know if after registration you move house, change your email address or your child changes primary school. Otherwise, their test papers may go to the wrong place, or you may not get their results.

How do I apply for a Kent Grammar school?

You apply by naming the school as a preference on your Local Authority's secondary application form.

If my child is assessed suitable for grammar school by the Kent Test, will I automatically be offered a grammar school place?

No, a Kent Grammar school assessment does not guarantee your child a place in a Kent Grammar school. Grammar schools are often oversubscribed, meaning more children apply than the school has room for. Oversubscribed schools use their admission criteria to rank applicants in priority order, so it's important to check the admission criteria for schools you are interested in. A Kent Grammar school can only consider your child for a place if you have named it on your application and your child has been tested and assessed suitable for admission. If your child is not offered a place at the school, you can appeal to an Independent Appeal Panel and may be able to add them to the school's waiting list.

Key dates

Monday 1 June 2026	Registration opens at kent.gov.uk/kenttest . You will receive a confirmation email when registration is complete.
Wednesday 1 July 2026	Registration closes at midnight. If your child attends a school outside Kent, you will receive an email by the end of August with your Allocated Test Centre.
Thursday 10 September 2026	Children who attend a Kent primary school sit the test in their school.
Saturday 12 September 2026 / Sunday 13 September 2026	Children who attend primary schools outside Kent or are Educated at Home sit the test in a Test Centre.
Thursday 15 October 2026	Kent Test Decisions emails are sent after 4pm to the email address used to register the child.

Need help?

Further information about the test and about transport to grammar school for low-income families can be found on our website at kent.gov.uk. If your child is outside the age range for the test, or cannot take the test on a Saturday please email kent.education@kent.gov.uk.

For help registering please email kenttestadmissions@kent.gov.uk. Only one registration per pupil will be accepted. If you apply online, do not complete any other form of registration. Keep your login details safe and use the email address you registered from for all communication with the team.

Please be reminded to speak to either Mrs Webber or Mrs Knight should you have any questions about the Kent Test process.

Calling all Young Artists!

Calling all young artists! Maidstone Borough Council is running another exciting Mote Park art competition, with a prize for under 18-year-old entries. Please click on the link for full details on how to enter and all the terms and conditions. Good luck!

Community News

Coxheath Parish Council and Village Hall End of Summer Picnic

Free event on Saturday 5th September 2-6pm

Kent Fire and Rescue Service has launched a brand new YouTube Kids mini-series, 'Be Safe with Us'.

We know children love watching their favourite programmes and videos, so we've created something that's both fun and educational!

Our short videos are designed to help teach children important safety skills including understanding fire engines, what to do in an emergency, and the importance of smoke alarms.

They're a great way for the family to learn together about staying safe at home. We hope you enjoy them!

You can watch the videos here: <https://www.kent.fire-uk.org/besafewithus>
