Message from the Headteacher

The children continue to show a fantastic attitude to learning, despite some of them being particularly tired as the routine of school firmly kicks in!

You will have received a letter today outlining some changes to Parents' Evening and introducing our new 5 and Proud event. Both of these have been introduced in response to feedback from our parent surveys and will, we hope, provide you with more opportunities to find out about what your child is learning in school. Please refer to the letter sent earlier today for further information.

We also wanted to take this opportunity to talk about the important impact of parental engagement in supporting your child's success and progress at school.

Apart from Year 6, we do not set prescribed homework. This decision was based on evidence around the impact of homework, as well as our desire to free up time during the week for

children to focus on two key skills that will serve them incredibly well throughout life and as they prepare for secondary education: reading and learning their times tables.

From Year 2 to Year 6, children also have access to IXL, a platform designed to support their maths learning. Activities are bespoke and tailored to each child, based on a diagnostic assessment they complete in school. Even spending just five minutes or less practising a particular skill can have significant benefits over time.

Sharing books and stories with your child helps them learn new words, grow in confidence and develop a lifelong love of books, stories and reading. It is also a wonderful opportunity for parents and children to connect and spend quality time together.

Recent research has shown an increase in the number of parents reading with their children from 46% in 2025 to 51% in 2026. However, this remains below the 66% recorded in 2019, with lack of time being cited as the main barrier to reading at home.

We appreciate that, as parents, it can sometimes be challenging to encourage your child to want to read at home. Reading does not need to be lengthy, even a few minutes sharing a story, talking about pictures, discussing characters or listening to your child read can make a real difference.

We will also be announcing our reading incentive in the coming weeks, which we hope will encourage and motivate children to develop their love of reading. We hope this will help make reading feel more exciting and rewarding and, most importantly, encourage children to see reading not simply as something they have to do, but as something they want to do.

A few minutes of reading every day can build skills, confidence and a love of stories that will benefit children throughout their lives.

Thank you, as always, for your continued support.

Have a wonderful weekend!

Giacomo Mazza

Attendance

Congratulations to **HASTINGS** class for achieving the highest attendance percentage this week! 🎉

As a reward, you'll enjoy extra breaktime next week— well done for your fantastic effort and commitment.

Year	Class Percentages

Maidstone's Monster Mash

Maidstone is excited to bring Maidstone's Monster Mash to the Town Centre this Halloween and October half term! The Maidstone Monster Mash is an event organised by One Maidstone and supported by Maidstone Borough Council. This event includes various large inflatable monsters, spread around the town Centre for the October half term. These inflatables will be placed on top of buildings for one week, where the town Centre will be visited by these friendly large builds for everyone to enjoy.

Please see letter below with more information.

Maidstone's Monster Mash

October 2026

Dear Teachers and Parents/Guardians,

One Maidstone is excited to bring Maidstone's Monster Mash to the Town centre this Halloween and October half term!

About the Event

The Maidstone Monster Mash is an event organised by One Maidstone and supported by Maidstone Borough Council. This event includes various large inflatable monsters, spread around the town centre for the October half term.

These inflatables will be placed on top of buildings for one week, where the town centre will be visited by these friendly large builds for everyone to enjoy.

Competition

To accompany this exciting event, we are delighted to announce that we are seeking a **Maidstone Monster Mascot**! Once designed, this monster will be used in this years and future events campaign's, social media promotions and branding and we would like to invite young people to creatively design this for us!

Therefore, we are opening a competition to the public, in which they may design their own Maidstone Monster to represent this event.

The winning design will be reviewed and chosen by the One Maidstone team.

The prize for winning this spooky competition will be:

- An A4 sized Print Out of you animated design
- An Age Appropriate, Monster Mash Mystery Pack
- The winner's monster will be **displayed** around town and celebrated in the community as Maidstone's **new** Monster Mascot!

Submissions

We are sending this letter to all local schools, so that we may kindly ask you to share the forms included in this letter, with the children and their parents/guardians before the summer break.

Pupils can then complete their designs over the summer holidays and **submit them online to info@onemaidstone.com**.

Alternatively, there is also the option for the children to download and print the form via a link on our socials and website. Where they choose to do this, the form will then need to be handed into the following location:

Creative Maidstone

Gabriel's Hill,

Maidstone,

ME15 6JR

You may also collect a blank copy of the monster design form at the Creative Maidstone Hub.

The deadline for submissions is **5pm on Friday 28th August 2026**.

Please see the terms and conditions written at the bottom of this letter.

Creative Maidstone – Monster Workshop

Creative Maidstone, located on Gabriel's Hill, will also be hosting a Maidstone Workshop on Wednesday the 22nd July, between 10:30-12:30pm.

Bring your kids to get messy in this 1.5-hour Monster Making Workshop, led by ceramicist Laura Hollis. Using excellent quality air dry clay, young artists will learn professional hand-building techniques to build their very own quirky monster, scaly skin and lots of googly eyes, let their imaginations go wild, with time to paint lots of funky monster colours.

Please see the link below for further information:

<https://www.visitmaidstone.com/whats-on/monster-making-workshop-creative-maidstone-p320481>

Thank you for your support and we look forward to seeing the children's spooky designs!

Kind regards,

Michelle

Michelle Woodland

CEO and Director

One Maidstone

Permissions, Terms and Conditions

By entering this competition, you confirm that the artwork is your own original work and that you have permission from a parent or guardian to enter if you are under 18. The winning design will be created for the purpose and ownership of One Maidstone BID and may be used across promotional materials, public displays, community initiatives and other activities delivered by One Maidstone BID.

Maidstone BID may display the artwork in public locations, use the artwork in promotional materials including social media, websites, newsletters and printed publications, include the artwork as part of a public art trail or similar community initiative, and publish the winner's first name, age and school (if provided) in connection with the competition. The winner agrees to take part in PR and promotional activity relating to the competition and gives permission for their name and any agreed images or content to be used in these activities.

The deadline for entries is Friday 28th August at 5pm. Personal information will be collected and used to administer the competition and, where permission has been provided, for PR

and promotional activity relating to the competition. All personal information will be handled in accordance with data protection legislation.
By submitting an entry, you agree to these Terms and Conditions.

WELCOME TO ST GREGORY'S

At St Gregory's, we believe a child's education should begin with who they are – not who they are told to become. We proudly offer a learning environment where talents are celebrated, passions are nurtured, and students are challenged to unlock their unique potential.

As a proudly Catholic, inclusive and caring co-educational school, we welcome families of all faiths and none, where every individual feels valued and supported to flourish.

STUDENTS PROGRESS BEYOND EXPECTATIONS

Ranked as one of the top non-selective schools in Kent, our unwavering expectations for excellence result in many students outperforming the progress of their peers elsewhere. Our team of dedicated, highly-skilled staff are genuinely interested in the welfare and progress of each individual and, across the ability range, motivate all our students to achieve the very best they can. We are extremely proud of our students' excellent academic progress, and it is this commitment to truly knowing each child that creates an environment where students can thrive.

ENRICHMENT STRENGTHENS PERSONAL DEVELOPMENT

Alongside our rich, ambitious curriculum, students also benefit from an extensive range of sporting, cultural, physical and extra-curricular activities. This inclusive programme of enrichment ensures that every child has the opportunities they need to become a well-rounded individual and the very best version of themselves.

Scan the QR code to watch our school video and
discover what truly makes St Gregory's different.

We look forward to welcoming you to St Gregory's.

Swimming Pools

📍 Linton, Kent

★★★★★

So impressed with how my daughter has developed in just attending 4 days of the summer intensive course. She went from holding her nose and not being confident putting her head under water to swimming under water.
