Message from the Headteacher

Another great week filled with sunshine and learning! The children are certainly making the most of the lovely weather, and it is hard to believe that we are already in October.

This week, we held our first Parent Council meeting, and I would like to take the opportunity to thank all of our class representatives for continuing in their roles or for stepping forward to represent their classes. Your time, support and commitment are very much appreciated.

The minutes from the meeting will be shared and made available on our website, so I won't go into detail about everything that was discussed. However, I would like to reiterate that the Parent Council is not the forum for discussing specific examples relating to individual children. These are best addressed directly with your child's class teacher. For example, if your child's reading book has not been changed, this is something that the class teacher is best placed to address, as they will have the most up-to-date information about your child's individual circumstances.

It was also lovely to see a shift towards recognising the positives, alongside raising concerns or identifying areas for potential further improvement. This balanced approach is really valuable and helps us to celebrate what is working well while also considering how we can continue to develop.

Lunchtimes are often a topic of conversation, as you will see from the minutes. As you may be aware, we have a new catering company, along with a change in the menu. I have spent some time over the past few weeks speaking with the children in the lunch hall, asking them about the quality of the food and their general thoughts about the new lunches.

All of the children I spoke to said that they felt the lunches had improved, with many commenting that the food had more flavour. Having sampled a few of the lunches myself, I would agree that the food has certainly been flavourful. It has been really positive to hear the children's views directly and to see them enjoying their lunchtime experience.

You will most likely have seen the recently installed secure gates, which have been put in place to further enhance the safety and security of our pupils, families and staff. We would like to remind all parents and carers that you should not enter the school grounds until the gates automatically open for parents to enter the site. In the morning, the gates will open at **8.35am**, and in the afternoon they will open at **3.05pm**. Please do not attempt to enter through the gates before these times. We appreciate your cooperation in helping us maintain a safe and secure school environment.

Next week, we have our first Five and Proud event for Year 3, and we are really looking forward to welcoming parents and carers into school.

From 2:30pm, you will be directed to the hall where your child is based. Once in the hall, your child will share with you five key areas of learning that they are particularly proud of. This will be a lovely opportunity to look through their books together and see some of the learning your child has engaged in so far this year.

At 3:00pm, the children will return to their classrooms. Parents and carers will then wait for them outside their child's classroom, as you would on a normal collection day.

We hope this will be a wonderful opportunity to celebrate the children's successes and achievements, while also giving you a better insight into the work your child has been doing so far this year. We are really looking forward to sharing this with you and celebrating the children's learning together.

Well done to all of our new Year R children, who performed so brilliantly in ‘We're Going on a Bear Hunt’! It is incredible to think that they have already been with us for four weeks. Their confidence is already beginning to grow, and it has been wonderful to see them settling into school life so positively.

A huge thank you to the Year R team, who have worked so hard to ensure that the transition into school has been such a successful one, creating an environment where the children feel safe, happy and ready to learn.

Thank you also to all of our parents and carers for your continued support in helping to ensure that the children have the best possible start to their educational journey here at Coxheath. Your support makes such a difference, and we are delighted to see how well our newest pupils are settling in.

⚽ U11s Football Tournament! ⚽

On Monday, the boys' football team attended the U11s NLT Maidstone Primary School Tournament at the Gallagher Stadium.

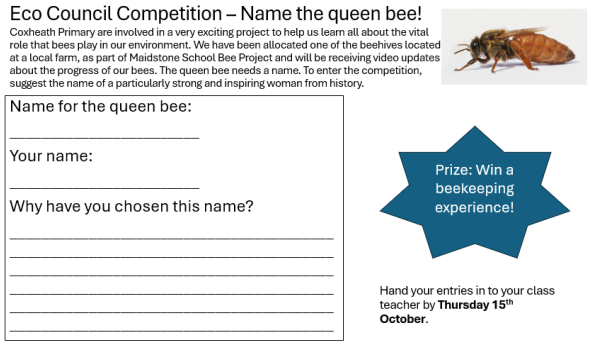

The boys made a great start to the group stage, picking up two comfortable wins. Games against Greenfields and Bredhurst proved more challenging, with the boys losing both matches but working hard as a team. This meant they needed a win in their final game against East Borough to progress to the knockout stage. Unfortunately, the game ended in a draw in a tight contest.

This newly formed team have only trained together once, but they showed plenty of promise! With goals from Lucas, Lenny and Jude, I'm sure they'll have a great run in the league and cup this season.

Well done boys, and good luck for the season!

Children's Commissioner: Your school's response count for The Big Future

The Big Future is asking children and young people about their lives, their experiences and their hopes for the future. They will be using the results to build a national picture of what matters to children today and to ensure their views are heard by Government.

The survey takes just a few minutes to complete and can be accessed here:

Art Hub

ArtHub has been out and about this week, snapping pictures of all the wonderful things happening creatively around school! You can view these in the link below. With the sunshine making another appearance, we have relished getting together with the younger children and getting arty outdoors, creating colourful chalk drawings and bringing their ideas to life with the new art resources on the playground.

ABOUT OUR PARTNER

In 1882, when John James Fenwick started a Paris-inspired department store in England's north-east, many thought the idea was too bold. From outfitting the pioneering British aviatrix Lady Isobel Chaytor to novel collaborations with the circus, the brand that JJ Fenwick founded has long pioneered its own style. That pioneering spirit is an inspiration for the Fenwick of today. Fenwick Canterbury is a four-storey flagship department store located on St George's Street within the Whitefriars shopping area. Fenwick in Royal Tunbridge Wells is a prominent three-story department store in Royal Victoria Place shopping centre. ● *fenwick.co.uk*

Welcome to St Gregory's

At St Gregory's, we believe a child's education should begin with who they are – not who they are told to become. We proudly offer a learning environment where talents are celebrated, passions are nurtured, and students are challenged to unlock their unique potential.

As a proudly Catholic, inclusive and caring co-educational school, we welcome families of all faiths and none, where every individual feels valued and supported to flourish.

Students Progress Beyond Expectations

Ranked as one of the top non-selective schools in Kent, our unwavering expectations for excellence result in many students outperforming the progress of their peers elsewhere. Our team of dedicated, highly-skilled staff are genuinely interested in the welfare and progress of each individual and, across the ability range, motivate all our students to achieve the very best they can. We are extremely proud of our students' excellent academic progress, and it is this commitment to truly knowing each child that creates an environment where students can thrive.

Enrichment Strengthens Personal Development

Alongside our rich, ambitious curriculum, students also benefit from an extensive range of sporting, cultural, physical and extra-curricular activities. This inclusive programme of enrichment ensures that every child has the opportunities they need to become a well-rounded individual and the very best version of themselves.
