

Digital Leaders Meeting – 06/03/18

Present –Abdul, James, Max, Rosie, Lucy and Riley. Also, Miss Davies and Mrs Ritchie (Governor)

This meeting focussed on feedback from the Parent workshop and moving forward what could be improved.

- We thought it was great that parents were asking questions and interested in what we were doing online.
- We really liked the logo game.
- Leaders really liked the involvement in the workshop.

Moving forward we thought about improving:

- To get more parents in could we change the time – 30 minutes after school in the summer term?
- Specific focus on current apps and games –up to date version.
- Show parents how to use safekids app to monitor what children are doing online.

We discussed the next term and with April fools day thought it was best to discuss what we can trust online and what is not trustworthy.

We spoke about new games that we are playing such as sandbox – a colouring app with no adds and chat.

We were also enjoying playing fortnight – aimed at older children Y6 and above, and how the chat was much safer as you need to accept adds rather than anyone requesting you.

Miss Davies will be emailing all teachers a ‘Trust me’ powerpoint so that digital leaders can share in their class and feedback in the next meeting.

We discussed this ppt might want to be delivered in 3 x 10 minute sessions over the next 3 school weeks before the meeting.

The meeting on Tuesday 17th April will be in the staffroom 11.45-12.05 to discuss the feedback of trusting information online.

We will also discuss childnet film competition and if we want to enter.

Future meetings: All at 11.45-12 in the IT Suite

Tues 17 April

Tues 15 May

Tues 12 June

Tues 10 July (last mtg)
