# What will we do in Term 1?

- Everyone in school will start by doing work linked to the book 'Return'.
- We will have time to talk about all the things you have been doing whilst school has not been open for everyone- be ready to tell us about anything special you have done, made or achieved.
- We will be starting our Core Text "The Hodgeheg" which we will use for our literacy work.
- We will be starting off by revisiting work on place value and addition and subtraction. Keep working on learning those times tables too!
- Our theme for the first term will be the environment and we will be looking at how to look after our environment and creating art from materials within our environment.

We start school on Wednesday 2<sup>nd</sup> September.

On the first day back, remember to arrive wearing your full school uniform.

Things you need to remember to bring with you are:

- A named P.E. kit in a bag that can be left in school.
- A named water bottle with fresh water in.
- A healthy snack if you want one for break time.
- Your lunch in a named lunch box (unless you are having a school lunch)

# Something for over the summer

I would like to hear from you over the holidays. Please put some time aside to write to me. This can be a letter, postcard, hand made card etc. Let me know what you have been up to. Maybe you have gone on holiday or went on a day trip or saw your grandparents. Please either post the letter through the school's letter box or maybe send it through the post. It will be great to hear from you and lovely to show the rest of the class what you have been up to in your summer holidays.
