

BBC curriculum provision for parents.

Places

BBC Bitesize – Bitesize Daily: 20 minute programmes

BBC iPlayer and the Red Button service will host Bitesize Daily.

Age groups: 5-7 years, 7-9 years, 9-11 years.

This programme will tell parents and children where they can find the daily curriculum content for that day.

Bitesize Daily Online: This will deliver a new Maths and English lesson for each year group. Resources for Science, history, Geography and Art will also be available here.

Here, parents can also find guides to support home learning.

SEN – There will also be guides to support learning for children with Special Education Needs.

Social Media – BBC Bitesize Facebook and Twitter. Parents will be able to access advice about teaching which will be updated regularly.

BBC iPlayer – Curriculum related videos and programmes will be organised by year group and subject. It will be designed so that children can easily find support for their learning.

BBC Sounds – A 10 minute, daily, education podcast aimed at parents. This will be a guide to help parents find content on the BBC which supports education and wellbeing.
