PARENTS OF YEAR 5 CHILDREN

Dear Parents/Carers,

From the week beginning 12th October, for three weeks, our PSHE lessons will focus on the Sex and Relationships aspects of the curriculum. More specifically, these will be:

- **Conception** – from conception through to birth (including very basic information about how a baby is made by intercourse and the growth of a foetus).
- **Puberty** – changes that children go through during puberty.
- **Keeping clean** – the importance of proper body washing.
- **Menstruation** - for girls only – learning about menstruation including the use of sanitary products.
-

The girls and boys will be separated so the boys can have further discussions about puberty and the girls will learn about menstruation, including the use of sanitary products.

We wanted to inform you in case you may wish to discuss these things with your child and if you have any questions please feel free to speak to us.

Yours sincerely

Year 5 Team
