Message from Mr Mazza

Well it is hard to believe we have nearly made it to the end of 2020, the year that Covid turned our lives upside down! If nothing else, 2020 has reminded us of what matters most; family, community and mutual support.

In addition to this, the whole community was knocked off their feet in March after the sudden passing of Mr Webb. He continues to be in our thoughts every day and his passion and genuine desire to give children the very best education, drives us all to secure this for every single child at Coxheath.

Despite the many challenges, our children continue to astound us all with their resilience and incredible attitude to their learning. They inspire us each day and I would like to take a moment to thank every single one of them for showing such incredible determination and for working so hard.

Of course, this would not be possible without the incredible team we have here at Coxheath. I am extremely lucky to lead such a dedicated and talented team who consistently go above and beyond to secure the very best education for the children. When I was appointed as Headteacher I remember sharing with staff the importance I personally place on building positive relationships. This has never been more evident than this year. I would like to say a very big thank you to all of the staff for everything they do for the children.

I would also like to acknowledge the incredible support that we have received this year from parents and carers. Your kind words of encouragement have certainly kept spirits high when things were a little tough. Thank you for taking the time to do this as it is very much appreciated.

A special thank you and farewell to Miss Peters who will be leaving us today. Thank you for all of your hard work and dedication and we wish you all the very best for the future. You will be missed and your new school are very lucky to have you!

Who knows what 2021 will bring? I certainly don't need a crystal ball to tell me that we will continue to face a few more challenges. However, I am more than confident that as a school community we will tackle these challenges head on with a smile and determination to secure the very best for the children at Coxheath.

I truly hope that you have a peaceful Christmas and wish you all the very best for 2021.

Best wishes

Giacomo Mazza
